

FROM THE DESK OF MICHELE KENT

LeadingAge
New Jersey
On Mission, Serving New Jersey's Seniors

Introducing

Michele J Mount, Certified Association Executive, has joined the LeadingAge New Jersey team effective Tuesday, September 8th.

Michele brings over 20 years of experience in virtually all the components of the EVP position: business development; public affairs, program management; budgeting; event planning; team building and fundraising. She is an innovative strategist with a demonstrated ability to identify and connect ideas, resources, opportunities and key stakeholders to align missions, engage donors, build coalitions, enhance credibility and reputation.

Further, Michele has experience planning annual meetings and educational programs; she is also a skilled communicator and spokesperson and has worked on projects aimed at enhancing the quality of life for older Americans.

Most recently, Michele headed up her own consulting firm in Old Bridge, NJ.

I have every confidence that this skilled, enthusiastic, high energy professional will quickly become a valuable part of our LeadingAge NJ team, and that she will champion our mission and further enable us to achieve our goals.

Please join me in welcoming Michele.
