

2019 Annual Meeting & EXPO
Caesars Atlantic City Hotel & Casino
Atlantic City, New Jersey
June 11 – June 13, 2019

Session Title and Narrative

Provide a title that is informative and clearly reflects the session content as well as a detailed summary of your session content.

Learning Objectives

List the three main educational goals of your session (what participants will learn as a result of attending your presentation).

Presentation Delivery

Describe how your presentation will support and address the learning objectives as well as the education methods that will be used to deliver the session content and engage participants.

Content Alignment

Describe specific ways in which the content addresses aspects of the education topic.

Speaker Information

Include job title, organization, contact information and academic history (highest degree, major/discipline, academic institution and year) for each speaker.

Academic and Professional Background

Provide brief overview of each speaker's knowledge and professional experience related to the proposed session topic and the aging services field.
